2022 PICA PLANT SALE UPDATE

Thanks to everyone who purchased plants again this year. We had a successful sale and hop you all enjoyed getting your plants in your gardens!

Garden Party Update-

We had a wonderful time viewing Francine's beautiful garden this summer! Several of us gathered for light refreshments and wonderful conversation right in the garden. No pictures were taken as we were enjoying each other's company. If you haven't gotten the chance to see Francine's garden check it out next year. So many wonderful blooms, a lot from the PICA Plant Sale. Thank you Francine for sharing your garden with us!

The change of season's means it time for the Annual PICA Auction!!

This year we are looking forward to an
in person event.

Again this year, the PICA Auction will provide a wonderful opportunity to have fun, do some holiday shopping and support great work for social justice in Maine and in El Salvador. The Annual PICA Auction raises money for our own work and to help support Bangor's sister city of Carasque, El Salvador.

Local artisans, businesses and generous donors offer wonderful items including original artwork, sweatshop-free clothing, holiday wreaths, pottery, massage, books, yoga and dance lessons, carpentry, gift certificates for local restaurants and stores, flowers, food and

more! The Auction's format includes both a silent and live auction, so there is something for everyone. No shopping experience offers so much variety in one place – with lots of fun, music, free food, lively conversation and our live auction led by Ken Bustard. So gather your friends and your holiday lists and join us for an exciting afternoon.
